

# FLEXIBLE iOS SOLUTIONS: GET THE MOST FROM YOUR iPad AND iPhone

**IS OUTDATED  
MOBILE TECHNOLOGY  
HINDERING YOUR  
PERFORMANCE?**

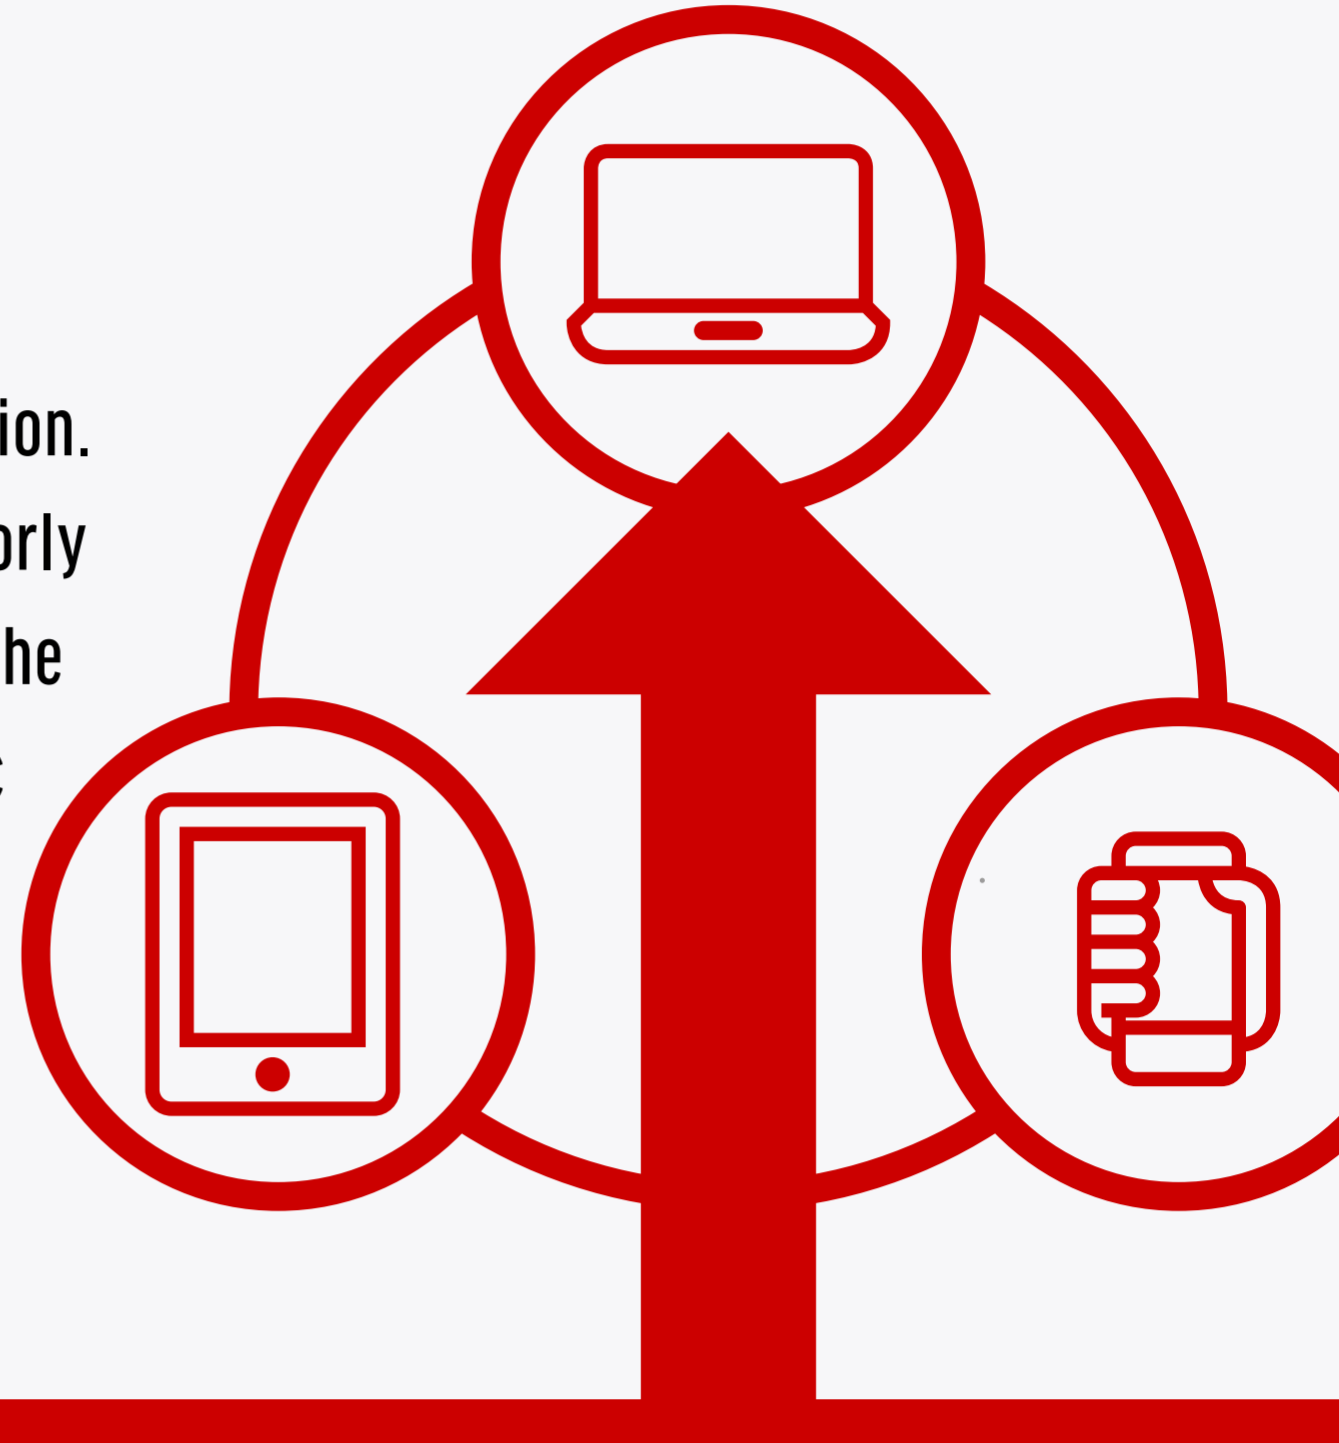

**44%**

of UK employees consider their office technology to be out of date<sup>1</sup>

## HOW APPLE CAN HELP BOOST YOUR BUSINESS

Technology sits at the heart of any organisation. Yet too many companies are held back by poorly performing devices that lack compatibility. The best option is to build your eco-system on Mac and iPad along with the latest iPhone and you'll have seamless workflows and more productive and collaborative employees.

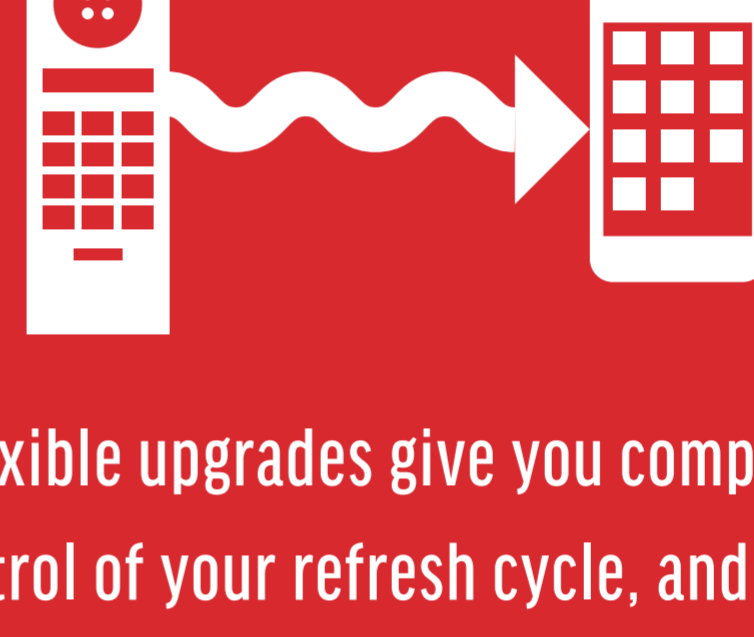

**100%**

OF FORTUNE 500 COMPANIES  
ARE NOW USING APPLE PRODUCTS<sup>ii</sup>

## HOW CDW AND APPLE FINANCIAL SERVICES WORK TOGETHER TO MAKE FINANCING AS UNIQUE AS YOUR BUSINESS

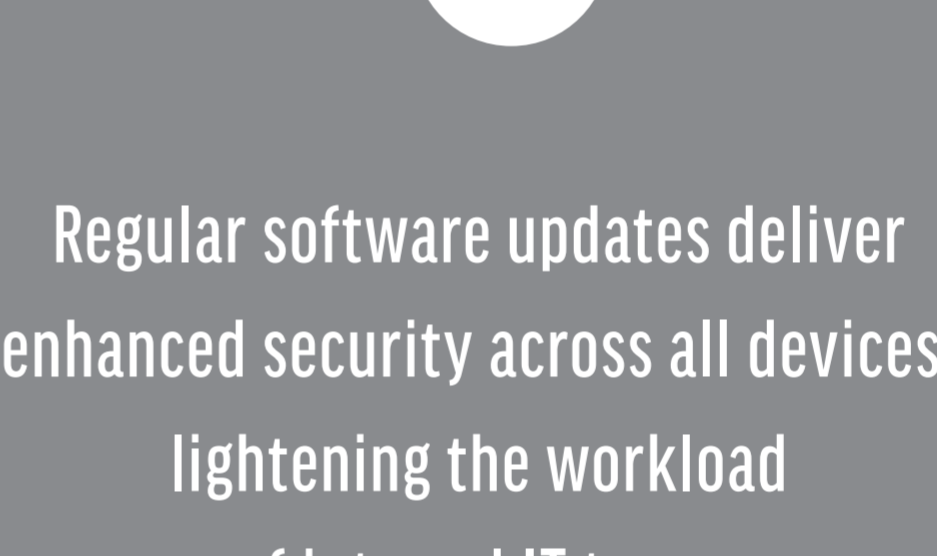

Keep your costs low by accounting for the high residual value of Apple devices up front

Flexible upgrades give you complete control of your refresh cycle, and with clear and straightforward terms

With Apple Business Manager and CDW's comprehensive support iPad, Macs and iPhones are pre-configured and ready to use, straight out of the box

Regular software updates deliver enhanced security across all devices, lightening the workload of internal IT teams
